LETTER OF SUPPORT FOR THE APPLICATION OF LLÍRIA'S NOMINATION FOR A UNESCO CREATIVE CITY IN THE "MUSIC" CATEGORY

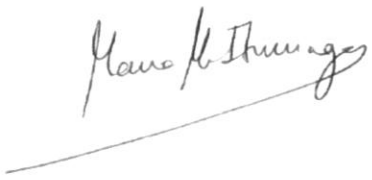
To whom it may concern,

Friday, February 1st, 2019

I write on behalf of Berklee College of Music, Valencia Campus in support of the nomination of the city of Llíria to become a UNESCO Creative City in the "Music" Category. We strongly support this application and the mission of the city of Llíria as a capital of Music in the Valencia Province, which enriches the local culture in many ways, and helps keep the vast tradition in music that lays in the Valencian Community.

In its first campus abroad in Valencia, Berklee as an institution which focuses its main activities in music, always encourages any type of activity and/or nomination that enhances the vast musical culture this city offers.

Sincerely,



María Martínez Iturriaga
Executive Director - Valencia Campus
